NORTH KANSAS CITY, Mo. – The off-ramp from northbound Interstate 29/35 to eastbound Armour Road will close Friday, Feb. 19, 2010 for approximately nine months. The marked detour route will be Front Street to Chouteau Avenue to U.S. Route 210/Armour Road.

Northbound Interstate 29/35 Loop to Westbound Armour Road Closed

New ramp to open in December 2010

NORTH KANSAS CITY, Mo. - The loop ramp from northbound Interstate 29/35 to westbound Armour Road will close Monday, March 15, 2010. This ramp will be removed and replaced in December 2010 by a new ramp that allows more vehicles to access eastbound or westbound Armour Road from Interstate 29/35. The marked detour route will be Front Street to Chouteau Avenue to MO-210/Armour Road.

This reconstruction will be part of the new Armour Road interchange, scheduled to be complete by the end of 2010. This new interchange will feature longer, wider ramps to accommodate more vehicles, and will operate more efficiently than the previous cloverleaf design.

The peak of construction for the kcICON Project will be this year, impacting motorists who travel the corridor. All construction activities are weather dependent and subject to change. Updated lane closure information for the kcICON Project can be found on the project's Web site at www.kcicon.com or by calling the information hotline at 816-841-8888.
